

Find The Mistakes

See if you can pick the voice-crossing and voice-overlapping mistakes in these:

Now mark all the consecutive 5ths and 8ves in this example. Remember: consecutive 'unisons' count as consecutive 8ves, and it's also not permissible to have consecutives even if they move in contrary motion!

In the example above there are also instances of voice crossing, incorrect spacing and the leading note not being treated correctly. See if you can find all of them!
