Choose around 7 or 8 tasks each day, and try to choose a different key and method each time. Keep practising the task until you get it, then rate yourself by colouring in the box!

Green (or write E for 'Easy')	You got it the first or second attempt
Yellow (or just M for 'Moderate')	It took you 3-4 attempts before you got it
Orange (or D for 'Difficult')	It took you 5-10 attempts before you got it
Red (or I for 'Impossible')	You tried really hard but just couldn't get it!
